The health insurance contribution is paid by the Jagiellonian University and is financed from the State budget. In addition, a doctoral student receiving a doctoral scholarship is subject to compulsory retirement and disability insurance and accident insurance.

IMPORTANT:

A person admitted to the doctoral school begins education and acquires doctoral student rights upon taking the oath. The Department of Personal Affairs reports each doctoral student admitted to the School to compulsory health and social insurance at the commencement of education, i.e. from 1 October at the earliest. Until that time foreign candidates are obliged to cover the costs of insurance for the time of travel, treatment, etc. individually.
